Proffesional Experience

Wordpress Developer, UX/UI Designer – Risouteki, Jewelry E-Commerce Website | (March 2026 - June 2026).

- Designed and developed an e-commerce website that is in the process of getting venture capital funding.
- Used feedback from both users and stakeholders throughout the project to validate or correct design rationales. Made wireframes to quickly iterate on the interfact design.
- Used Wordpress, WooCommerce, Elementor and custom code to create unique features.
- Communicated across multiple stakeholders and users to understand our position and prevent development issues.

Wordpress Developer, UX/UI Designer – Megaflaura, Plant E-Commerce Website | (November 2025 - February 2026)

- Remade a local store's website and increased it's online transactions after 1 month
- Converted more customers by redesigning the landing page.
- Redesigned web pages to match the landing page and increased time on page rate.
- Used WordPress, WooCommerce, and Gutenberg to quickly make a website that could connect to Square.

SEO Specialist, E-Commerce Associate – Masina Diamonds | (February 2023 - November 2023)

- Contributed company's first online sale in its history, a \$4,000 wedding band.
- Created Blog posts and optimized images and organically increased Google ranking to page 1 of Search.
- Used Google Analytics to improve website rankings; from the bottom of the page to just under the paid Google Ads.
- Optimized website content with rich textual content, image descriptions to keep users engaged and returning.
- Managed product catalogs, SKU information, and product information using CSVs.

Education

FrontEnd Now Coding Bootcamp, October 2025 - Present

University Of Wisconsin-Milwaukee, Digital Arts and Culture, May 2018

Summary

I am a Front-End Developer and UX/UI Designer with a strong foundation in user-centered design and customer experience. Skilled in creating intuitive, responsive, and accessible digital products by combining research, design thinking, and front-end development. Adept at collaborating across teams, managing projects in agile environments, and applying empathy, guiding new customers to becoming repeat clients. Developing growth and deeper understanding of technologies and techniques by daily practice and helping others.

Sales Experience

Sales & Service Writer – Peachtree Bikes, Decatur, GA (April 2024 - August 2025)

- Educated customers on the bike and equipment best fit their needs by listening and being a source of support
- Evaluated bicycleses for repair, sourced parts with the help of the mechanic, gave timelines for repairs.
- Was a resource, advertised new products, stayed in touch with customers to generate more sales and new leads.

Retail Sales Specialist – REI Co-Operative, Atlanta, GA (June 2022 - June 2026)

- Guided customers to the outdoor gear most appropriate for them, gave wisdom on biking and camping.
- Sold Co-Op memberships, MasterCard Credit cards, and advocated for the Co-Operative Action Fund.
